

ATHLETICS & STUDIO

BARRE: Limited to 20 participants. Movements from ballet, Pilates, & yoga, using a ballet bar. For remote, we recommend any waist-high surface to use as your 'bar', a mat & light hand weights – 1, 2, or 3lb recommended. A low-impact workout, with high repetitions, aimed at improving endurance, flexibility, & posture. 60 mins. **REMOTE OPTION AVAILABLE (r).**

BODY SCULPT: This class incorporates a mix of circuits of strength training, HIIT cardio, mobility, and core work. For remote, sliders (gliding discs) & dumbbells are ideal, but modifications can be made for body weight. Modifications offered for every level. 60 mins. **REMOTE OPTION AVAILABLE (r).**

BOOTCAMP: Focused on building strength & delivering a total body workout. This gym-floor class includes a dynamic warm-up, core strength circuit, upper & lower body exercises, & a stretching series at the end. Modifications & progressions offered for all levels. 60 mins.

CYCLING: Limited to 15 participants. Take your cycling workout indoors in our fabulous cycling studio with top-of-the-line Technogym stationary bikes. Get motivated by the instructor, the people around you, & the music!
2 class styles: 1) Classic Road – Classic rock tunes with a workout simulating traditional road cycling; 2) Conditioning Ride – great music and coaching to guide you through a fun cardiovascular conditioning workout. 45 mins.

GET UP: This class is designed to help participants build the strength, flexibility, and coordination needed to get up off the floor with ease. Suitable for all abilities and fitness levels. 30 mins.

HIIT PUMP: High reps, low weight full-body workout focusing on building strength and burning fat. This class utilizes free weights, bench, and a mat to shape and tone your body. Class consists of a warmup, upper/lower body exercises, and cool down. Open to all experience levels. Modifications and progressions options for all abilities. 60 mins.

PIYO: A strengthening class for total body, PiYo® combines movements & exercises from Pilates & yoga to create a unique & fun workout. Using stretching, bodyweight training, & cardio conditioning, this high-energy, low-impact class helps increase flexibility, balance, & strength. 60 mins. **REMOTE OPTION AVAILABLE(r).**

POWER HOUR: Full-body strength & conditioning class, using a variety of equipment inside, or outdoors when weather permits! You won't get bored, but you *will* start to see results in muscle tone & definition! Modifications & progressions available for every exercise. 60 mins.

AQUATICS

AQUA FIT: Strength & toning exercises with moderate-intensity aerobics using natural water resistance & "water weights." An excellent, & safe workout to improve cardiovascular endurance, muscular strength, & range of motion. One lap lane only will be open during aqua aerobics. 60 mins.

PILATES

INFERNO PILATES: Increase your flexibility, and develop a stronger core! This high-intensity interval training (HIIT) makes that happen. We also use the Tabata method: time under tension, all while moving to the beat. Don't forget to send positive vibes to your neighbor! Weights and bands available to enhance your fun! 60 mins.

MAT PILATES: This mat-work Pilates class follows the classical routine with instruction & hands-on help for alignment & understanding of the movement. The class incorporates strength, stretch, & stability, & modifies for your needs. 60 mins.

PILATES IN STUDIO*: Limited to 3 participants. Enjoy using the Pilates studio apparatus while you lengthen & strengthen muscles like you've never experienced before. **Intro/refresher:** novice; **Intermediate/advanced:** previous experience appreciated. **ADDITIONAL FEE: MEMBERS: \$20; NON-MEMBERS \$30**

YOGA

CHAIR YOGA: Chair yoga is a gentle form of yoga, perfect for beginners, using a chair as support for poses. It is also a beneficial practice for those at all levels, as it deepens flexibility, and strengthens your personal body awareness. 60 mins.

ENERGY MEDICINE YOGA: **ENERGY MEDICINE YOGA** (EMYoga) blends easy-to-learn energy medicine techniques and traditional yoga to amplify the benefits of your practice without increasing your time on the mat. For beginners and experts alike, EMYoga complements any yoga style. 75 mins.

FLOW & RESTORE YOGA: Incorporating pranayama, meditation, & flowing movement with longer holds. Warming the body with flowing yoga sequences, & using the heat built to relax & restore the body & mind into supportive restorative poses. 90 mins.

GENTLE FLOW: This mixed-level class is designed to revitalize the body & soothe the nervous system. A gentle flow sequence promotes tone, balance, & flexibility. The class concludes with a series of supportive restorative postures to invite deep ease & relaxation. 60 mins.

KRIPALU YOGA: Kripalu means compassion. A well-rounded practice for connection of body, mind, and spirit. Inspiring collective wellbeing and tools for healing and growth for oneself as well as the world around you. All levels. 90 mins.

POWER FLOW: A fast flowing and uplifting power yoga class that strengthens, stretches and invigorates the mind, body and soul. Move to fun upbeat music and feel empowered by a challenging yet grounding practice. 60 mins.

SLOW FLOW YOGA: A gentle class that flows with breath from one pose to the next. Longer holds in between transitions let you 'feel' into poses with each breath, with a focus on alignment. 75 mins.

TRAPEZE YOGA: Limited to 6 participants. Build upper body strength, relieve back pain, and explore backbends. No prior experience required, just a desire to improve strength and flexibility! Worried about going upside down? Don't be! There are many options with the trapeze that don't require inversions. But you're going to want to try! Contraindications: Pregnancy, high/low blood pressure (consult with Dr), glaucoma or other eye issues, recent surgeries, vertigo, prosthetic hips. Minimum participant age: 15 years old. 60 mins.

VINYASA YOGA: Based on the belief that mental & physical health are interrelated, & should be conditioned together, Vinyasa emphasizes sequential movement between postures, coordinated with & guided by deliberate breath. Move between postures with each held for 5 to 8 breaths. A balanced class with forward bending, twists, backbends & opportunity for inversions. All levels. 60 mins.

YIN YOGA: In Yin, we slow it down. Sometimes less is better than more. With Yin we hold our postures longer than in any other yogic practice: 3 to 5 mins for beginners, five minutes or more for advanced practitioners. Each pose applies moderate stress to your connective tissues, tendons, fasciae, and ligaments. In return you get increased circulation, improved flexibility, stronger bones, joints, and an all-round better sense of well-being. 75 mins.

TENNIS & RACQUET
